

ART NEWS FLASH AUGUST 2014

SCHEDULE AND RULES

The 2014/2015 competition year schedule has just been released by the Committee.
Please note the following changes to rules for Advanced Masters and Masters;

Advanced Masters age group is from 21 years upwards.

Masters age group is from 25 years upwards

Advanced Masters and Masters skaters who wish to compete internationally at Oceania Championships must meet the age requirement as set in the Oceania Heads of Agreement. That currently stands at 30 years and older.

This change has occurred to allow skaters that may have been affected by the removal of the Classic and Open grades to skate in these grades if they wish. These skaters also have the option of competing in the Intermediate grade where skaters are 13 years and older.

The 2014/ 2015 Artistic rules are currently with the NZFRS for ratification.

We have received confirmation of the dances for the 2015 competition year for Junior and Senior from CIPA and these are being sent out with this newsflash. Please replace the appropriate pages in your schedule if you have printed it out - pages 5,8 and 9

Also being sent with this mail out are the up to date versions of the new dances being introduced to the Oceania or World schedule for 2014/2015
