**MEMO TO: ALL COACHES
ALL CLUBS**

PLEASE NOTE:

Following a recommendation from the NZ High Performance Coaching Commission, the NZ Artistic Roller Sports Committee have agreed that the requirement, as per Policy 12, for coaches to hold a Sports Specific Level 2 accreditation to have access to Marshalling areas at International Competitions will be waived for the 2016 Oceania Championships and 2016 World Championships.

At the present time accreditation papers are not available for this level. The NZ High Performance Coaching Commission are working on producing Sports Specific Level 2 accreditation papers in the near future.
