June 15

2015 Issue 1

Hi everyone,

One week out from Nationals, so no doubt everyone is busy with final preparations.

The Coaching Commission has had a flurry of examinations submitted and most have been marked and candidates and their clubs advised. Congratulations and Welcome to the Coaches Group.

So a couple of reminders. You will need a registered member of NZFRS to be able to access the Marshalling area at Nationals and you will need to wear your grey identification card at all times. The Artistic Committee will be monitoring access to the Marshalling area and on the floor during figure trainings.

Hopefully you will all have an easy week preparation and members of the Coaching Commission look forward to catching up with as many coaches as possible during the week.

Raewyn Hailes
