

ART NEWS FLASH SEPTEMBER 2015

NEW ARTISTIC WEBSITE

The Artistic Roller Sports Committee would like to launch to you their new website with all things artistic covered there.

The address is www.nzartisticrollersports.co.nz

It is a work in progress so there will be some initial updating going on. So come back again to check out what is new.

Please let us know if there is anything missing from the website that you want us to put up there.

A big thanks to Rozanna Longville from Lure Creative Design Studio for her work with us in putting this all together.

Enjoy.
