SKATERS REPRESENTATIVE ON THE ARTISTIC COMMITTEE

Congratulations to Annelise De Cleene who has joined the NZ Artistic Committee as the Skaters representative for this year. We look forward to working with her. She will be the skaters voice on our Committee and we would encourage any skaters to talk to her especially if they have any issues that they would like to see raised with the Artistic Committee.

SCHEDULE

In future the NZ Artistic Committee will release schedules pertaining to all the major events – NZ competition schedule, Oceania Championships Schedule, World Championships Schedule, Graeme Sheppard Challenge and Joan Alexander Challenge. We hope that by doing this it will make requirements easier to access.

The Artistic Committee along with the High Performance Coaching Commission will be meeting on 19 June 2016 to discuss the format of the NZ competition schedule for the 2016/2017 competition year. If clubs have any feedback that they wish to have considered at this meeting it should be sent to the Secretary by **31 May 2016** at artistic.secretary@gmail.com
