ITEM 9	GENERAL BUSINESS	
	<p>Peter Willy wished to discuss the selection process for World Team. Barbara Colville raised a point of order that General Business needs to be notified prior to the meeting and through clubs.</p> <p>Deb Collis spoke to the item of General Business regarding the use of the money raised from conducting the World Artistic Championships. There is widespread concern that this money will not be targeted back into Artistic skating. There is also concern that none of the volunteers who worked so hard to make the Championships successful were even offered a part refund on the tickets they had to purchase to attend the sessions they volunteered at.</p> <p>Barbara Colville and other members of the Board spoke that the NZFRS had taken a huge risk in underwriting this event and that the resulting profit is the responsibility of the NZFRS. They all said that the money would be 'ring fenced' for Artistic and that under a system yet to be notified the Artistic committee would be able to apply for funds to further their aims.</p> <p>Board members were asked about the estimated time frame for the website to be up and running. Barbara Colville indicated that it needed to have approval at the next Board meeting. A number of members were unhappy with the amount of time we have been without a website.</p>	
ITEM 10	COACHES PROCESS FOR ACCREDITATION	
	<p>Bev presented the concept for discussion at the meeting. Documentation had already been sent to clubs for their perusal. Issues identified:</p> <p>Onerous on clubs to get the process completed especially in smaller areas</p> <p>Compulsory aspect of the document – some felt it should be voluntary in nature</p> <p>Alan Thompson spoke at length regarding the changes in Sport NZ funding and reporting</p> <p>After a lengthy discussion clubs were asked if they were interested in supporting the process of accreditation. Clubs indicated that they were happy to do so.</p>
