

ART NEWS FLASH 3 MAY 2017

NOMINATIONS FOR OCEANIA TEAM 2017

Nomination forms will be sent to clubs shortly for the 2017 Oceania team. The Oceania competition will be held in Queensland Australia from 21-24 September. Nominations will close with the Artistic Treasurer Joan Blackler 33 North Street, Feilding on 7/7/17.

Selections for this team will be made from the 2017 New Zealand Artistic Roller Sports Championships being held in July in Rotorua. Any skaters who wish to be selected for the team will need to enter the events they want to be selected in at these championships. If a skater is wishing to trial for the team and it is not their regular National grade then as per rule 3.01.02 they may apply to compete in that event at Nationals for the purpose of selection only. Skaters who wish to do this should ensure that an entry is completed for this event and sent through their club to the Secretary of the Artistic Committee before the closing date of national entries.

3.01.02 When the New Zealand Championships is the competition for a skater to nominate for selection into an international team and the grade is not their national grade, they may apply to the New Zealand Artistic Committee for dispensation to skate for selection only.

FUND RAISING FOR INTERNATIONAL REPRESENTATIVES

Just a reminder to clubs who are fundraising for their skaters who may be selected for International teams, that it is not appropriate for individual skaters to be advertising on social media that they are raising funds to go to an event that they have not been formally selected for. In these instances it is better for the club to be fundraising on behalf and for individuals to ensure that they are advising they have not yet been selected.

ARTISTIC SKATING CALENDAR

The current artistic skating calendar is available on the Artistic Committee website. If you have any events that need to be in there please forward them to the Bill Stratford for addition to the calendar bill.raynor@clear.net.nz
