MEMO TO ALL CLUBS:

### NZ ARTISTIC SCHEDULE & REQUIREMENTS 2017 – 2018

Since Nationals, the Artistic Committee and the High Performance Coaching Commission (HPCC) have been working hard to put together the 2018 Artistic Schedule of Requirements.

We understand that the release of this document is much later than usual, and we appreciate the patience that coaches, skaters and clubs have shown in waiting for the release of the 2018 Schedule. Over the past few months, we have spent a considerable amount of time working closely with Australia, to try and better align the grades and requirements between our countries. In addition to this, there have been significant changes occurring in Europe which have influenced these changes, and we have had to wait for the release of the 2018 CERS (European Artistic Committee) Handbook and the 2018 ATC World Skate Rule Book (from the FIRS Artistic Technical Committee).

The attached document is the first version to be published and is titled Version 1 DRAFT. The Artistic Committee are meeting this weekend and will be looking closely at the Schedule. We expect there to be some minor tweaks and changes needing to be made before the FINAL version is ready. (Please note, Australia are currently working on Version 11 of their schedule!)

There are many changes to grade names, age limits, music lengths, requirements, set elements and other technical elements required at each level. We expect that there will be questions regarding these changes and we encourage any communication or queries to be directed to the Artistic Committee direct via e-mail to [artistic.secretary@gmail.com](mailto:artistic.secretary@gmail.com). The HPCC is keen to run workshops and squads to help unpack the technical requirements across disciplines in the coming months.

Attached is the PDF of the 2018 Artistic Schedule, as well as a live web link to the 2018 Artistic Schedule (which will be updated in real time and will be the most up to date version to refer to until the next PDF version is emailed out to clubs)
